Clockwork Qrange #13

"Think clock. Wind the clock w/ all markers."

"There need be no minute hand, as the hour figures will be 6. I. apart. But the interspace should be divided into [qu]arters and 5. minute marks."

-Thomas Jefferson

JEFFERSON'S GREAT CLOCK AT MONTICELLO

Similar to Jefferson's Great Clock at Monticello, the Q-Clock can be seen as only requiring a minute hand, which links dates & times by arranging a **calendar** around the clockface in a spiral, such that 12/07 is at the [:00] minute marker.

By "winding the clock" in a certain way, Q's posts can be connected to each other, and thus reveal the MAP which provides the KEY to spread the TRUTH.

"Timestamps important. Countdown? Markers."

"Connect the 'markers.' News (in all forms) unlocks the map."

"TRUTH shines LIGHT. LIGHT saves HUMANITY. Future proves past."

TRUTH SHINES LIGHT. LIGHT SAVES HUMANITY. FUTURE PROVES PAST.

BEEHIVE – Q. In what way is the Beehive used in Masonry?
A. Among the ancients, particularly among the Egyptians, the beehive was a symbol of an obedient people, an emblem of systematized industry. A more appropriate picture of organized and united labor cannot be found. Hence, Free-masonry has adopted the beehive as symbol of industry – a virtue stressed in Ritual and by lectures.
BEHAVIOUR – Q. What are the teachings of Freemasonry with reference to a Mason's behaviour?
60-Day 'Sexagenary Calendar'
"From Darkness to Light"
